

# AFTERCARE ADVICE

Looking after your **Nouveau Lashes**

**NOUVEAU**<sup>®</sup> | EXTEND  
L A S H E S | EXPRESS  
| ENHANCE

To achieve the maximum results from your Nouveau Lashes treatment, it is essential that you follow the relevant aftercare advice. Failure to do so could lead to an adverse treatment outcome (e.g. irritation, swelling, lash damage etc). If redness or irritation does occur, apply a damp cotton wool compress. If symptoms persist please consult your GP.

If you have any questions please do not hesitate to contact us.

## NOUVEAU EXTEND & EXPRESS

- Do not get lashes wet for first 48 hours.
- Avoid steam, saunas and swimming for first 48 hours.
- Avoid touching, rubbing or introducing foreign bodies or contaminants into the eye area.
- Ensure lashes are not disturbed or manipulated into different positions (e.g. when sleeping, cleansing the face, applying moisturiser or cosmetics).
- Do not perm lashes or use lash curlers.
- Do not use waterproof mascara.
- Use oil free make-up remover if mascara is worn. *Nouveau Lashes Eye Make-Up Remover* is available at Duchess Lounge for just **£14.99** (120ml). Due to the oil free formula, this remover is suitable for sensitive eyes.

### Maintenance & Removal

- Nouveau Extend lash extensions should be maintained (infilled) every 2-3 weeks. We recommend booking a course of maintenance appointments at once to ensure that your lashes stay in perfect condition at all times.
- *Nouveau Lashes Coating Sealant* can be applied to Extend and Express lashes and is available in Black and Clear. Regular use protects the adhesive bonds and adds shine, gloss and depth of colour to the lashes. Available at Duchess Lounge for just **£19.99** (8.5ml).
- To safely remove your Nouveau Extend or Express lash extensions (express: after 2 weeks) Duchess Lounge offers FREE professional removal in salon. This ensures safe removal with no damage to your natural lashes.
- Alternatively, Nouveau Express lashes can be removed at home using *Nouveau Lashes Extension Remover*, available to purchase at Duchess Lounge for just **£9.99** (2ml).

# AFTERCARE ADVICE

Looking after your *Nouveau Lashes*

Aftercare advice continued...

## NOUVEAU LVL ENHANCE

- Do not get lashes wet or use mascara for first 48 hours.
- Avoid steam, saunas and swimming for first 48 hours.
- Do not perm lashes or use lash curlers.
- Avoid strong sunlight or UV light (if tinted).
- Avoid touching, rubbing or introducing foreign bodies or contaminants into the treatment area.
- Ensure lashes are not disturbed or manipulated into different positions (e.g. when sleeping, cleansing the face, applying moisturiser or cosmetics).

### Maintenance

- We recommend returning to the salon every 6-8 weeks for your next Nouveau LVL Enhance treatment, ensuring lashes are always perfect! Purchase the *Nouveau Lashes Conditioning Serum*, perfect for sealing your LVL lashes and locking in moisture and shine to keep lashes looking fabulous. Available at Duchess Lounge for just **£14.99** (8ml).

## NOUVEAU STRIP LASHES

- Avoid water, steam, saunas and swimming whilst wearing strip lashes.
- Do not perm strip lashes or use lash curlers.
- Do not use waterproof mascara with strip lashes.
- Avoid touching, rubbing or introducing foreign bodies or contaminants into the treatment area.
- Ensure lashes are not disturbed or manipulated into different positions (e.g. when sleeping, cleansing the face, applying moisturiser or cosmetics).
- Remove at the end of the day.

### Maintenance

- Your strip lashes are re-useable therefore can be re-applied as and when you wish.
