

AFTERCARE ADVICE

Looking after your **Sienna X Tan**

siennaX
original.professional.exceptional

To achieve the maximum results from your Sienna X tanning treatment, it is essential that you follow the relevant aftercare advice. Failure to do so may result in poor treatment results. If you prefer to get your glow at home or to maintain your fabulous in-salon tan, Sienna X offer a full range of products to help you achieve and maintain a flawless glow. Duchess Lounge are proud stockists of the full Sienna X 'At Home' retail range.

IT'S IMPORTANT TO...

- Avoid hot showers/baths for the development time (approx 4-8 hours depending on the tan you selected).
- Avoid excessive perspiration during the development time e.g. gym, swimming or exercise.
- Avoid swimming pools and sea water as these will remove your tan faster.

IT'S BEST TO...

- Wear dark clothing after your treatment. Avoid tight clothing and underwear as they may cause marks. If you chose a tan that develops overnight wear a long sleeved pyjama top and long pyjama bottoms.
- Wear flip flops or loose fitting shoes if you cannot keep shoes off for the first few hours.
- Pat dry after showering, rather than rubbing.
- Avoid long hot baths as these speed up exfoliation.
- Moisturise daily with *Sienna X Radiance Body Balm* to prolong your tan and ensure it wears well and stays looking gorgeous. As well as the gorgeous natural ingredients of Shea butter, coconut oil and sweet almond oil, the balm also has added vitamin E to protect against premature ageing. Available at Duchess Lounge for just **£14.34** (200ml).
- Tell everyone about your flawless Sienna X tan from Duchess Lounge!

DON'T FORGET... Duchess Lounge are proud stockists of the full Sienna X 'At Home' retail range.
